## Experience

---

### Ball Sención Ingeniería & Arquitectura SRL / Founder & CEO

2018 - Current, Santo Domingo

Established a high performing company dedicated to providing top quality engineering, architecture and construction related work, from design to execution.

One of the key contracts of the company is currently with the training complex of players of the MLB team: San Francisco Giants. We have been responsible for the maintenance and conditioning of these facilities since 2017.

### BASECON SRL / Senior Civil Engineer

2018-2020, Santo Domingo

Head engineer responsible for leading projects and using strong project management skills to ensure the successful and timely execution of project plans. As part of managing the projects, I was also the key negotiator with contracts and suppliers and completed all the data analysis and reporting required for contractors and subcontractors for pricing and payment.

### BASECON SRL / Junior Civil Engineer

2016-2018, Santo Domingo

Responsible for assisting the Senior Civil Engineer in the effective execution of project plans. As part of this role, I worked with the Senior Civil Engineer to supervise subcontractors and ensure installation processes and implementation of the project was completed correctly.

**BASECON SRL /Assistant Supervisor**

2014-2016, Santo Domingo

Responsible for running checks and verifying the quality of contractors and subcontractors work to ensure the facilities are being maintained correctly.
